8. UPDATE ON HIGHWAYS ISSUES WITHIN THE PARISH

- a. Cllr Ayre has asked LCC Highways to inspect the road between Bulby and Edenham which is very poor, particularly around Elsthorpe. Tree branches have been left on the roadside making it very difficult for vehicles to pass and large potholes have developed. Cllr Ayre has also contacted Grimsthorpe Estate to make them aware of the problem. The verges between Bulby and Elsthorpe have also been destroyed by the deer, again making it very difficult for vehicles to pass safely. Cllr Ayre is constantly reporting issues to Highways and is still frustrated that she can't speak to anyone about the issues only report them on FixMyStreet. **All residents are reminded that they can report any Lincolnshire Highways issue to LCC via their website. This system is a considerable improvement over the previous system.**

It was also reported that some patching has been done at the junction of Swinstead Road with the A151.
- b. Cllrs were pleased to report that the Speed Indicator Device has now been installed. Several residents have expressed gratitude to the PC for this initiative. One resident has requested the device be sited on the Swinstead Road. The Clerk has informed them this will happen soon as the sign should be moved regularly so as not to lose impact. The PC will monitor the effectiveness of the sign through data analysis provided by the data capture function of the sign.
- c. Cllr Vanson reported what appears to be an open drain on the verge of the Hawthorpe Road, approximately 10yards before the bridge on the left hand side when approaching from Irnham. Cllr Ayre to follow up.

9. EVENTS

- a. Parish Christmas Sing Along was well attended and most enjoyable. Several people stayed on to have a meal. The raffle raised £118.16. Thanks to all who supported this event.
- b. Cllrs agreed to discuss the Best Kept Village Competition at the AGM. It was noted that we will need a special effort this year to clean up the Parish after the very wet weather. The Big Clean did a good job sweeping leaves off the pavements in Irnham into the gutters but then unfortunately the road sweeper didn't get through before it rained heavily.
- c. Cllrs discussed the possibility of holding a social event this Spring/Summer and agreed to consult with Jamie Benton Jones regarding the possibility of afternoon tea on VE Day Bank Holiday, Friday 8th May. Cllr Vanson to follow up.

- a. Cllrs have been asked to contact LCC regarding felling dead trees near the overhead broadband cables. Clerk to contact BT as well.
- b. Cllrs have been asked for their views on seeking permission to allow a mast to be installed on the Church Tower to improve mobile phone reception. Cllrs agreed that the signal needs improving but asked Cllr Ayre to raise safety concerns.
- c. Cllrs have been asked to raise the issue of a ditch on the west verge of Swinstead Road. The ditch can't be safely cleaned out as the verge is so narrow. The request is for Highways to pipe and cover over about 10m of the ditch. Cllr Ayre to follow up.
- d. Cllrs were made aware of the ditch near the sewage plant in Irnham overflowing in the heavy rains. This has now been cleaned out by Irnham Estate in conjunction with the Water Authority.
